

Commercial Lending

As the economy slowly recovers, commercial lenders must maintain a delicate balance between prudent lending standards and creative loan terms that may be dictated by today's competitive marketplace. Now more than ever, it is essential that lenders have a solid understanding of the fundamentals of commercial lending, especially the UCC rules on how to attach and perfect security interests in business assets.

With this in mind, Aldrich Bonnefin & Moore is pleased to invite you to attend our Commercial Lending Seminar. This seminar will focus on a number of issues that lenders regularly face including UCC filings and hidden liens. In addition, this seminar will include a discussion of equipment leasing, lease financing and a UCC case law update.
